Dare

Stan Bush

Sometimes when your hopes have all been shattered
And there's nowhere to turn
You wonder how you keep going
Think of all the things that really matteredAnd the chances you've earned
The fire in your heart is growing
You can fly if you try leaving the past behind
Heaven only knows what you might findDare, dare to believe you can survive
You hold the future in your hand
Dare, dare to keep all of your dreams alive
It's time to take a stand and you can win if you dareEverybody's trying to break your spirit
Keeping you down, seems like it's been forever
But there's another voice if you'll just hear itSaying it's the last round, looks like it's now or never
Out of the darkness you stumble into the light
Fighting for the things you know are rightDare, dare to believe you can survive
The power is there at your command
Dare, dare to keep all of your dreams alive
It's time to take a stand and you can win if you dareDare, dare to believe you can survive
You hold the future in your hand
Dare, dare to keep all of your dreams alive
The power is there at your commandDare, dare to keep all your love alive
Dare to be all you can be
Dare 'cause there is a place where dreams survive
And it's calling you on to victory
