

# Black And Yellow

## Cris Cab.

Yeah, uh huh, you know what it is  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
Yeah, uh huh, you know what it is  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
Yeah, uh huh, you know what it is  
Everything I do, I do it big  
Yeah, uh huh, screamin' that's nothin'  
When I pulled off the lot, that's stuntin'  
Reppin' my town when you see me  
You know everything  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
I put it down from the whip  
To my diamonds I'm in  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
Black stripe, yellow paint  
Them niggas scared of it, but them ho's ain't  
Soon as I hit the club look at them ho's face  
Hit the pedal once, make the floor shake  
Suede insides, my engine roarin'  
It's the big boy, you know what I paid for it  
And I got the pedal to the metal  
Got you niggas checkin' game, I'm ballin out on every level  
Hear them haters talk  
But there's nothing you can tell 'em  
Just made a million  
Got another million on my schedule  
No love for a nigga breakin' hearts  
No keys, push to start  
Yeah, uh huh, you know what it is  
Everything I do, I do it big  
Yeah, uh huh, screamin' that's nothin'  
When I pulled off the lot, that's stuntin'  
Reppin' my town when you see me  
You know everything  
Black and yellow, black and yellow

Black and yellow, black and yellow  
I put it down from the whip  
To my diamonds I'm in  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
Got a call from my jeweler, this just in  
Bitches love me 'cause I'm fuckin' with their best friends  
Not a lesbian, but she a freak though  
This ain't for one night, I'm shinin' all week, ho  
I'm sippin' Cliquot and rockin' yellow diamonds  
So many rocks up in my watch I can't tell what the time is  
Got a pocketful of big faces  
Throw it up 'cause every nigga that I'm with tailored  
Yeah, uh huh, you know what it is  
Everything I do, I do it big  
Yeah, uh huh, screamin' that's nothin'  
When I pulled off the lot, that's stuntin'  
Reppin' my town when you see me  
You know everything  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
I put it down from the whip  
To my diamonds I'm in  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
Stay high like how I'm supposed to do  
That crown underneath them clouds can't get close to you  
And my car look unapproachable  
Super clean but it's super mean  
She wanna fuck with them cats, smoke weed, count stacks  
Get fly, take trips and that's that, real rap  
I let her get high, she want and she feel that  
Convertible drop fill, '87 and the top peel back  
Yeah, uh huh, you know what it is  
Yeah, yeah, uh huh, you know what it is  
You already know what it is, man  
And if you don't, you should by now  
Reppin' my town when you see me  
You know everything  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
I put it down from the whip  
To my diamonds I'm in  
Black and yellow, black and yellow  
Black and yellow, black and yellow

Yeah, uh huh, you know what it is  
Everything I do, I do it big  
Yeah, uh huh, screamin' that's nothin'  
When I pulled off the lot, that's stuntin'  
Reppin' my town when you see me  
You know everything  
Black and yellow, black and yellow  
Black and yellow, black and yellow  
I put it down from the whip  
To my diamonds I'm in  
Black and yellow, black and yellow  
Black and yellow, black and yellow
