

I'm Like A Lawyer with the Way I'm Always Trying t

Fall Out Boy

Last year's wishes are this year's apologies
Every last time I come home
I take my last chance to burn a bridge or two
I only keep myself this sick in the head
Cause I know how the words get you We're the new face of failure
Prettier and younger but not any better off
Bulletproof loneliness at best, at best Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you Collect the bad habits that you couldn't bear to keep
Out of the woods but I love
A tree I used to lay beneath, kissed teeth stained red
From the sour bottle baby girl with eyes the size of baby worlds We're the new face of failure
Prettier and younger but not any better off
Bulletproof loneliness at best, at best Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you The best way to make it through
With hearts and wrists intact
Is to realize two out of three ain't bad
Ain't bad! Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you
(Honeymoon)
Setting in a honeymoon Me and you, setting in a honeymoon
If I woke up next to you, if I woke up next to you
Me and you, setting in a honeymoon
If I woke up next to you
(Honeymoon)
