

# Seeing Other People

## Belle and Sebastian

We lay on the bed there  
Kissing just for practice  
Could we please be objective?  
'Cause the other boys are queuing up behind us  
A hand over my mouth  
A hand over the window  
Well, if I remain passive and you just want to cuddle  
Then we should be ok, and we won't get in a muddle  
Cause we're seeing other people  
At least that's what we say we are doing So how are you feeling?  
I don't think you can be dealing  
With the situation very well  
You take a lover for a dirty weekend, that's ok  
But when it's over  
You are looking at the working week through the eyes of a gigolo You're kissing your elbow  
You're kissing your reflection  
And you can't understand why all the other boys are going for the  
New, tall, elegant rich kids  
You can bet it is a bitch, kid  
But if they don't see the quality then it is apparent that  
You're going to have to change  
Or you're going to have to go with girls  
You might be better off  
At least they know where to put it We lay on the bed there  
Kissing just for practice  
Could we please be objective?  
'Cause the other boys are queuing up behind us  
A hand over my mouth  
A hand over the window  
Well, if I remain passive and you just want to cuddle  
Then we should be ok, and we won't get in a muddle  
Cause we're seeing other people  
At least that's what we say we are doing  
We're seeing other people  
At least that's what we say we are doing  
We're seeing other people  
At least that's what we say we are doing
