

I Still Believe (Great Design)

The Call

I been in a cave
For forty days
Only a spark
To light my way
I wanna give out
I wanna give in
This is our crime
This is our sin But I still believe
I still believe
Through the pain
And through the grief
Through the lives
Through the storms
Through the cries
And through the wars
Oh, I still believe Flat on my back
Out at sea
Hopin' these waves
Don't cover me
I'm turned and tossed
Upon the waves
When the darkness comes
I feel the grave But I still believe
I still believe
Through the cold
And through the heat
Through the rain
And through the tears
Through the crowds
And through the cheers
Oh, I still believe I'll march this road
I'll climb this hill
Upon on my knees
If I have to
I'll take my place
Up on this stage
I'll wait 'til the end of time
For you like everybody else I'm out on my own
Walkin' the streets

Look at the faces
That I meet
I feel like I
Like I want to go home
What do I feel
What do I know But I still believe
I still believe
Through the shame
And through the grief
Through the heartache
Through the tears
Through the waiting
Through the years For people like us
In places like this
We need all the hope
That we can get
Oh, I still believe
