Ahh ah ah aye, oh Lord  
Ahh ah ah aye, yeah, ah ah good LordEverybody let me see yuh

Ah tell you ah have it, Lord  
Tell you ah got it, oh Lord, LordI am a real Carnival tabanca  
Hard Carnival tabanca  
As soon as Carnival done this year  
Well I just start catching fever  
When the doctor come diagnose me  
Tell meh wife me well, is not dengue  
Is just delusions and delusion have  
Me thinking Soca can you help me  
Every time I hear a police siren  
I tinkin is escort  
Comin' to take me to the next venue  
So my performance would not be shortWhen ah see a big truck in Port-of-Spain  
Tinking is Harts of Bliss  
Is ah big dump truck passin'  
Wit red san' in it, LordAh tell you ah have it  
Ah tell you ah have it  
Ah tell you ah have it  
Lord, tell you ah have it, yeahEverybody let me see you  
Clap those hands,  
Come now and let me see you  
Clap those hands  
Everybody let me see you  
Clap those hands,  
Come now and let me see you  
Clap those handsI miss jumpin' on de road with Tribe  
Deh wit meh woman on meh right han' side  
All meh friend an' dem from outside  
Who from North and who from South side

I miss jumpin' with de band in de road  
Alcohol in meh hand, it cold  
When dem gyul dem 'bumpers' start roll  
Man dem markin' 'bumpers' to hold  
Well anytime I go out and buy some paint  
All I see is J'Ouvert  
When de blue devils dem from Paramin  
Dey blockin' road to get pay And when ah see a big truck in Port-of-Spain  
Tinking is Tribe of Bliss  
Is ah big dump truck passin'  
Wit red san' in it, Lord Ah tell you ah have it  
Ah tell you ah have it  
Ah tell you ah have it  
Lord, tell you ah have it, yeah Everybody let me see you  
Clap those hands,  
Come now and let me see you  
Clap those hands  
Everybody let me see you  
Clap those hands,  
Come now and let me see you  
Clap those hands Ah tell you ah have it  
Ah tell you ah have it
