

It's All About Me

Rachel Stevens

She met him Saturday
He stole her heart away
Twenty four, Sunday
They didn't chat at all Romantic Monday
Tuesday, a better day
But Wednesday to Saturday
Don't know why he didn't call Ohh, I wonder where you've gone
Ohh, did I do something wrong? You said, "It's all about me"
You tell me what's the truth
I'm happy to be free
But I'm happier to be with you He says, "It's all about me"
'Cause I'm trying to be cool
I'm happy to be free
But I'm happier just to be with you Phone rang on Sunday
He's talking differently
I guess you put it down
To experience He said, "He's sorry"
But he's been so busy
She said, "Don't worry"
Even though it made no sense Ohh, I wonder where you've gone
Ohh, what did I do wrong? You said, "It's all about me"
You tell me what's the truth
I'm happy to be free
But I'm happier to be with you He says, "It's all about me"
'Cause I'm trying to be cool
I'm happy to be free
But I'm happier just to be with you You're just somebody new
That I don't know at all
But in the moment, I got cold
That's what people do Now you've turned out the lights
Did I misread the signs?
So what's happening?
You've got to know, what I'm going through I wonder where you've gone
Ohh, What did I do wrong? You said, "It's all about me"
You tell me what's the truth
I'm happy to be free
But I'm happier to be with you He says, "It's all about me"
'Cause I'm trying to be cool
I'm happy to be free

But I'm happier just to be with you You said, "It's all about me"
You tell me what's the truth
I'm happy to be free
But I'm happier to be with you He says, "It's all about me"
'Cause I'm trying to be cool
I'm happy to be free
But I'm happier just to be with you
