How Do I

Jeremy Ellis

Verse 1
How do I understand
How do I wrap my hands
Around this wonderful love of God?How do I understand
That to pay sins demand
You suffered and died for me?Pre-Chorus
If I try
I find myselfChorus
Trying to grasp the ocean
Stop the world in motion
Hurry on the seasons
Find ten-thousand reasons why just why
I am not worthy
But this is the beauty
Of Your wonderful loveVerse 2
How do I understand
Why You would take the wrath
Rightfully fit for me?How do I understand
Love that would make a plan
To ransom Your enemy?Bridge
If I try to understand
I just find myself
Lifting my hands in praise to YouIf I try to understand
I just find myself
Lifting my voice in praise to YouIf I try to understand
I just find myselfEnding
If I try to understand
I just find myself
Lifting my hands in response to You
