

Miles End

Gomez

Chinese symbols on his robe
Never gonna match up with that smile
He's wearing mostly black and gold
It's been twelve days, the longest for a while
He's been fortunate
He can't tell a lie
Redheads, blonds, brunettes
They all fall for his lines
He's been king now for so long
His days are numbered
Times have changed, so move along
The dream is over
Draped across Egyptian linen
Even Cleopatra casts an eye
A gossamer see-through zipped up tracksuit
Champagne bottle, ten o'clock on fire
He's been fortunate
He cannot deny
Jacuzzi baronet
With soap suds in his eyes
He's been king now for so long
His days are numbered
Times have changed, so move along
The dream is over
He's been king now for so long
His days are numbered
Times have changed, so move along
The dream is over
We've been waiting for so long
We think it's over
