

# Half A World Away

R.e.m.

This could be the saddest dusk  
I've ever seen  
Turn to a miracle  
High alive  
My mind is racing as it always will  
My hand is tired, my heart aches  
I'm half a world away here  
My head sworn  
To go it alone and hold it along  
Haul it along and hold it  
Go it alone  
Hold it along and hol' hol' hol'  
Oh, lonely deep sit hollow  
I'm half a world  
Half the world away  
My shoes are gone, my life spent  
I had too much to drink  
I didn't think  
And I didn't think of you  
I guess that's all I needed  
To go it alone  
And hold it along  
Haul it along and hold it  
Blackbirds, backwards, forwards and fall and hol' hol' hol'  
Oh, this lonely world is wasted  
Pathetic eyes high alive  
Blind the tide that's turning the sea  
This storm it came up strong  
It shook the trees  
And blew away our fear  
I couldn't even hear  
To go it alone and hold it along  
Haul it along and hold it  
To go it alone  
And hold it along, hol' hol' hol'  
To go it alone  
And hold it along  
Haul it along and hold it  
Blackbirds, backwards, forwards, and fall and hol' hol' hol'

Oh, this could be the saddest dusk  
I've ever seen  
Turn to a miracle  
High alive  
My mind is racing as it always will  
My hands tired, my heart aches  
I'm half a world away, go
