

# Myrtle Beach Days

## Fantastic Shakers

I was dreaming last night,  
when I got the notion,  
    to pack my bags  
and head out for the ocean.  
And I was thinking to-day,  
    of good times last year,  
    of lookin' at the ladies,  
and drinking cold draft beers...

Myrtle Beach Days!  
We'll have some fun  
    in the waves,  
I don't care what the  
    West Coast says,  
    But I love those  
    Myrtle Beach,  
    love those  
Myrtle Beach Days!

Come on down this summer  
It's gonna be a good year,  
    of ridin' on the coaster,  
or fishin' off of the Pier,  
And I was thinking to-day,  
    When I got the notion,  
    to pack my cooler,  
and some suntan lotion...

Myrtle Beach Days!  
We'll have some fun  
    in the waves,  
I don't care what the  
    West Coast says,  
    Cause I love those  
    Myrtle Beach,  
    love those  
Myrtle Beach Days!

[Music]

Myrtle Beach Days!  
We'll have some fun  
    in the waves,  
I don't care what the  
    West Coast says,  
Cause I love those  
    Myrtle Beach,  
        love those  
Myrtle Beach Days!

    How I Love them  
    Myrtle Beach Days!  
Of watchin' all the ladies  
    And drinkin' some  
        Ice cold draft beers  
I'm gonna catch me a big one!  
    But I feel those days  
    Myrtle Beach Days!  
    Myrtle Beach Days!  
        Oh oh oh oh...
