

Easy

Sheryl Crow

We said this summer we go down to Cancun
No money makes that kind of hard to do
Forget the beach I'd rather be here with you playing croquet okay that's not true But you make it easy easy
Easy to get away
Sit in the sun and drink beer all day Because it's easy easy
Easy the rain anyway, who needs Mexico
Baby let's stay home We'll put on bug spray and lose our clothes
Put out the lawn chair and turn on the hose
We'll play Jack Johnson he's the new don ho
And we'll go surfin' surfin' surf the radio 'Cause you make it easy easy
Easy to get away
Sit in the sun and drinking beer all day You know it's easy easy
Easy the rain anyway, who need's Mexico
Oh, who need's Mexico
Baby let's stay home Dream margaritas and take in the sunset
Later on slip into our king size bed
And make love, love sweet love You make it easy easy
Oh yes it's easy easy You make it easy easy
Easy to get away
Sit in the sun and sip tequila all day Because it's easy easy
Easy or away, who need's Mexico
Tell me know, who need's Mexico
Baby let's stay home
Baby let's stay home Let's get away baby
Oh, let's get away baby
Oh
Don't want a little holiday
