Heartbreak Hotel

Whitney Houston

This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
You said you'd be here by 9
Instead you took your time
You didn't think to call me boy
Here I sit, tryin' not to cry
Askin' myself why, you do this to me
Since you're not around for me
To tell you baby face to face
I'm writing you this letter
And this is what I have to say
All I really wanted was some of your time
Instead you told me lies when someone else was on your mind
What'd you do to me? Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What'd you do to me? Can't take what you did to me
Now I see, that you've been doin' wrong
Played me all along and made a fool of me baby
You got it all wrong to think that I wouldn't find out
That you were cheatin' on me, baby how could u do it to me
Since you're not around for me
To tell you baby face to face
I'm writing you this letter
And this is what I have to say
All I really wanted was some of your time
Instead you told me lies when someone else was on your mind
What'd you do to me? Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What'd you do to me? Can't take what you did to me
This is the Heartbreak Hotel
This is the Heartbreak Hotel

This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
This is the Heartbreak Hotel
All I really wanted was some of your time
Instead you told me lies when someone else was on your mind
What'd you do to me? Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What'd you do to me? Can't take what you did to me
All I really wanted was some of your time
Instead you told me lies when someone else was on your mind
What'd you do to me? Look what you did to me
I thought that you were someone who would do me right
Until you played with my emotions and you made me cry
What'd you do to me? Can't take what you did to me
I ain't gonna take it, I ain't gonna take it no more
I ain't gonna take it boy
I ain't gonna take it no more
Everything you say is a lie
