

To Make You Feel My Love

[Garth Brooks](#)

When the rain's blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love When the evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
no doubt in my mind where you belong I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothin that I wouldn't do
To make you feel my love The storms are raging on a rolling sea
And down the highway of regret
The winds of change are blowing wild and free
But you ain't seen nothin' like me yet There aint nothin that I wouldnt do
Go to the ends of the earth for you
Make you happy
Make your dreams come true
To make you feel my love
