

You Will Never Know (Original Mix)

Imany

It breaks my heart 'cause I know you're the one for me
Don't you feel sad there never was a story, obviously
To never be And you will never know
I will never show
What I feel, what I need from you, no
You will never know
I will never show
What I feel, what I need from you With every smile comes my reality, irony
You won't find out what has been killing me
Can't you see me?
Can't you see? And you will never know
I will never show
What I feel, what I need from you no
And you will never know
I will never show
What I feel, what I need from you no, no
You will never know
I will never show
What I feel, what I need from you No no, no no, you'll never know
No, no no, you'll never know
No, no no
Love me, love me, love me, love me no And you will never know
I will never show
What I feel, what I need from you no
You will never know
I will never show
What I feel, what I feel, what I feel
What I need, what I need from you no
