

Letcha Go

Nicki Minaj

Baby Boy You Must Got Nicki Twisted
I Would Of Left B4 But You Insisted
Said That I Was Your All & I Believed You
That's Y It Hurts To The Cure I Gotta Leave You
How Could You Love Me & Humiliate Me
You Ain't My Man Don't Affiliate Me
With All Your Plans Cusz You Really Made Me
A Lil Bitch When That Really Ain't Me
Mondays Was The Fun Days
From The Slums To The Runway
Runs In The Hyundai
Niggas Didn't Have Your Money It Was Gun Play
Use To Tell Me To Listen To What A Thug Say
At Night I Would Sleep On You
& I Guess I Did Sleep On You
Cusz When They Said It I Said Creep On Who?
No Not My Boo Ain't What He Gone Do

Chorus

Oh Now You Wanna Be With Me
But You Can't Be With Me
Boy Leave Me Alone
You Know You Did Me Wrong
So I Gotta Letcha Go
If You Wanted Me In Yah Life

You Should Of Treated Me Right
Boy Leave Me Alone
You Know You Did Me Wrong
So I Gotta Letcha Go

Verse 2

Why You Sayin You Ain't Feel Her
You Was In The Villa
She Was In The White Chinchilla
You Was Sippin On A Miller
May Bitch Pam Had The Hidden Cam Like Killa
Funny How You Win Some You Lose Some
Never Worry Where Yah Income Would Come From
Cuz No Matter Where You Was I Held You Down
Up North Or Uptown So How You Sound

Now You All Up In My Face Bout You Make Mistakes
If I Knew You Was Fake I Would Of Laced Yah Steak
Strict 9 One Time In Yah Welcher's Grape
Quite Lyin Why You Lyin I Watched The Tape
Now Get Up Out My Dressin Room
Give Me Some F'N Room
Go Get Yah Mind Right & Take It As A Lesson Learn
Just Like Usher Nigga You Gone Have To Let It Burn
To The Left & I Ain't Talkin Bout Jigga Girl
Chorus
