Hurricane

Jimmy Needham

I have built a city here
Half with pride and half with fear
Just wanted a safer place to hide
I don't want to be safe tonightI need You like a hurricane
Thunder crashing, wind and rain
To tear my walls down
I'm only Yours now
I need you like a burning flame
A wild fire untamed
To burn these walls down
I'm only Yours now
I'm only Yours nowI am Yours and You are mine
You know far better than I
And if destruction's what I need
Then I'll receive it Lord from Thee
Yes, I'll receive it Lord from TheeI need You like a hurricane
Thunder crashing, wind and rain
To tear my walls down
I'm only Yours now
I need you like a burning flame
A wild fire untamed
To burn these walls down
I'm only Yours now
I'm only Yours nowAnd it's Your eye in the storm
Watching over me
And it's Your eye in the storm
Wanting only good for me
And if You are the war
Let me be the casualty
'Til I'm Yours alone
I am only Yours
I am Yours alone, LordI need You like a hurricane
Thunder crashing, wind and rain
To tear my walls downI need You like a hurricane
Thunder crashing, wind and rain
To tear my walls down
I'm only Yours now
I need you like a burning flame
A wild fire untamed

To burn these walls down
I'm only Yours now
I'm only Yours now
