

# All By Myself (OST Bridget Jones's Diary)

Jamie O'Neal

When I was young  
I never needed anyone  
And makin' love was just for fun  
Those days are goneLivin' alone  
I think of all the friends I've known  
But when I dial the telephone  
Nobody's homeAll by myself  
Don't want to be, all by myself anymore  
All by myself  
Don't want to live, all by myself anymoreHard to be sure  
Sometimes I feel so insecure  
And love so distant and obscure  
Remains the cure
