

Look at Me Now

Iyaz

Yagga o (yagga o)

Yeah I (yeah I)

Yagga o They said I'm nothing but I have them told them keep talking

No when they see me they hand them hands on keep walking

Doesn't hurt to see me shine I'm getting really one one tv time

I make them ? just to screaming yagga o Some like to prakting like enemies

To think fore one's that they are friend a we

When they see you rolling through the street they try to act cool

But playing here is never ever does you Men thought that I would fall

No I got it all

They thought that I will fail

That I just end up in jail

Look at me now (look at me now)

Look at me now

Look at me now (look at me now)

Look at me now now now They say that we won't last

We came up where to fast

We getting bigger and better with every day that past Look at me now and the ?

Girl from the west and piece me I look every where and no no no Mama told my spread your wings my son and
fly

And always make you're up your while your are your mothers child

They said your nothing but son just tell them keep talking

So when they see you they hand them hands on keep walking Men thought that I would fall

No I got it all

They thought that I will fail

That I just end up in jail

Look at me now (look at me now)

Look at me now

Look at me now (look at me now)

Look at me now now now So if you ? that make you feeling

Just put your one's up too the ceiling

Cause we don't know how to lose no way

So please just listen to the words ? Just imagine that it was coming up

You try to come in but you can get a wop

Nobody can really hear your stuff

Cause the dj isn't really play your cart

I'm top of the show really here your god's

The guy's really that I'm am your boss

I'm blowing bigger then a African boss

But don't hate me cause you don't doing like us I know I good so why I should to prove
I give my best cause I no shit to lose
No is it time take your props but give me mine
Till the day I'm here to rest every day I'm should be the DVIMen thought that I would fall
No I got it all
They thought that I will fail
That I just end up in jail
Look at me now (look at me now)
Look at me now
Look at me now (look at me now)
Look at me now now now Men thought that I would fall
No I got it all
They thought that I will fail
That I just end up in jail
Look at me now (look at me now)
Look at me now
Look at me now (look at me now)
Look at me now now now
