Seagull

Living Hour

Even if I was right,
Even if I was wrong,
Even if I couldn't write,
Would you still love?Move with the tide of the sea,
Prove all your thoughts to the tide.
Hide all of your lies,
Behind tired eyes.Wondering if she was here,
Wondering if she knows,
She moves like the river flow.We are all tied to the sea,
Moonrocks wash up on the shore.
Hide all of your lies,
Behind tired eyes.Searching for herself at night,
She doesn't even see the evening.
Moonrocks fall aside at night,
She doesn't see the evening.Move with the tide of the sea,
Prove all your thoughts to the shore.
Hide all of your lies,
Behind tired eyes.
