

Love Moves (In Mysterious Ways)

MYMP

Who'd have thought this is how the pieces fit,
You and I shouldn't even trying making sense of it,
I forgot how we ever came this far,
I believe we had reasons but I don't where they are,
So blame it on my heart, oh...

Chorus:

Love moves in mysterious ways,
Its always so surprising how love appears over the horizon,
I'll love you for the rest of my days but still it's a mystery
Of how you ever came to me which only proves,
Love moves in mysterious ways.

Heaven knows love is just a chance we take,
We make plans but then love demands a leap of faith,
So hold me close never ever let me go,
Even though we think we know which way the river flows,
That's not the way that love goes, oh...

Chorus:

Love moves In mysterious ways,
Its always so surprising when love appears over the horizon,
I'll love you for the rest of my days but still it's a mystery
Of how you ever came to me which only proves,
Love moves in mysterious ways.

Like the ticking of the clock, Two hearts that beat as one,
But I'll never understand the way its done, oh...

Chorus:

Love moves in mysterious ways,
Its always so surprising when loves appears over the horizon,
I'll love you for the rest of my days but still its a mystery
Of how you ever came to me which only proves,
Love moves in mysterious ways.....

Love moves in mysterious ways...oh...
