

# The Losers

## Warrior Soul

Have you ever wanted to be someone you're not?  
But you look into the world and you see what you've got  
    There's nothin' there but brains and guts  
Finally open the door and then it shutsLook to the center and I'll think you'll find  
    The people that are gettin', they are blind  
    You changed the channel and there's nothin' there  
    You weren't born pretty and it isn't fairHere's to the losers  
        The substance abusers  
        To the rejects  
    All the imperfects'Cause I think we're beautiful  
        'Cause I think we're beautiful  
        'Cause I think we're beautiful  
        No matter what anyone says  
        I think we're beautiful  
The most beautiful in the worldYou try for jobs but they say you're strange  
    You're sportin' a style that they call pain  
    So you get in trouble and your brain is gone  
    You're cryin' out, man, but the words are wrongHere's to the losers  
        The substance abusers  
        To the rejects  
    All the imperfects'Cause I think we're beautiful  
        'Cause I think we're beautiful  
        'Cause I think we're beautiful  
        No matter what anyone says  
        I think we're beautiful  
The most beautiful in the worldI know you're tired of being put down  
    And all the crap that's said in town  
    But you're the person that matters most  
    I raise my glass and make a toastHere's to the losers  
        The substance abusers  
        To the rejects  
    All the imperfectsTo the retarded  
        And the broken hearted  
        To the starving masses  
And the lower classes'Cause I think we're beautiful  
    'Cause I think we're beautiful  
    'Cause I think we're beautiful  
    No matter what anyone says  
        I think we're beautiful
