Beautiful Losers

Marc Almond

Here's to the bruised and the broken hearted
Here's to dear friends now departed
Here's to the lonely here's to the lost
Here's to those who love at a costHere's to the bitter and the reviled
Here's to the rejected child
Here's to those who don't have a hope
Here's to all of us in the same boatHere's to you and here's to me
Only time's gonna set us free
Beautiful losers
You beautiful losers
Here's to you and here's to me
Here's to our philosophy
You beautiful losers
I'm gonna take all your bruises away
Away
Away
We'll be winners at the end of the dayHere's to the talentless and the trying
Here's to those who are always crying
Here's to the fearful, here's to the faint
Here's to time that'll make you a saintHere's to the broken, here's to the bent
Here's to you all heaven sent
Here's to those that are lost at sea
Here's to the time that'll set you freeHere's to you and here's to me
Only time's gonna set us free
Beautiful losers
You beautiful losers
Here's to you and here's to me
Here's to our philosophy
You beautiful losers
I'm gonna take all your bruises away
Away
Away
We'll be winners at the end of the dayHere's to rain
Here's to thunder
Here's to those that are trodden under
Here's to darkness
Here's to death
Here's to each fading breath
Here's to sorrow

Here's to pain
Here's to heartache once again
Here's to you
Here's to me
Only time's gonna set us free
Free
Set us freeAnd when we die we're gonna go dancing
At that nightclub in the sky
When we die we're gonna go dancing
At that nightclub in the sky
When we die we're gonna go dancing
At that nightclub in the sky
You beautiful losers
I'm gonna take all your bruises away
Beautiful losers
I'm gonna take all your bruises away
You beautiful losers
I'm gonna kiss all your bruises away
Beautiful losers
I'm gonna kiss all your bruises away
Beautiful losers
You'll be winners at the end of the day
