

# Win the Fight

Ylona Garcia

Hey, I've been walking 'round the city all day  
Just to find you walking away, right out from my arms  
And you, you always wanna do what you do  
And I have to find out the truth  
From others who are in love with you(Oh)But I, I don't think I'll go on  
I, but I know I'm gonna have to try  
Lord, give me a reason whyGonna know what to do  
Gonna find out the truth  
Gonna see the reason why  
Gonna go with the flow  
Ain't gonna lose control  
'Cause I know I'm gonna win the fight  
Screaming yeah, yeah, yeah, ooh yeah (2x)But I, I don't think I'll go on  
I, but I know I'm gonna have to try  
Lord, give me a reason whyGonna know what to do  
Gonna find out the truth  
Gonna see the reason why  
Gonna go with the flow  
Ain't gonna lose control  
'Cause I know I'm gonna win the fight  
Screaming yeah, yeah, yeah, ooh yeah (2x)RAP:  
Malimit sa oras na naghihintay  
Sa dala katiyakan na siya ay magre-reply  
Sa mga text, ano ba 'yan, isip ko'y nawiwindang  
'Di ko 'to gets, pa'no na 'yan, ngayon ito dumidighay  
Kasi uhaw na uhaw na uhaw na ako sa pagkasabik ko sa'yo  
Tapos ibinabaling na lang ang mata sa iba  
At sa akin ay pusong bato  
Sumama aking loob  
At nag-iba aking kutob  
Na wala na ba ang pag-ibig na siyang sa akin ang tuhogBut I, I don't think I'll go on  
I, but I know I'm gonna have to try  
Lord, give me a reason whyGonna know what to do  
Gonna find out the truth  
Gonna see the reason why  
Gonna go with the flow  
Ain't gonna lose control  
'Cause I know I'm gonna win the fight  
Screaming yeah, yeah, yeah, ooh yeah (2X)
