

Open My Eyes - The Writers Block Remix

Karen Harding

Some times I sit and wonder
how the do it
They want to who they like but
I'm just too shy
too shy too shy
I'm too shy
too shy
too shy
Head in the clouds
I wish
I knew how to get there
So much to do with my life
but I don't know
why know
why know
why I'm so shy
so shy
so shy
Shoulda know hearts
don't beat the same
When I'm lost only me to blame
Wanna know how they can
know my name
I'm tryna
find a way to guide my life

I need a little help to get this rightBaby can you open my open my eyes?Baby won't you open my open my eyes?

I'm trynafind a way to guide my life

I need a little help to get this rightBaby can you open my open my eyes?

Baby won't you open my open my eyes?

I've spent too long dreaming whenI'd get there and not enough time on the reason

I'm steel here now

here now

here now

No doubt I'm out of here now

It'd be much easier to stick with the dreaming

But I'm so desperate to make this feeling

true come

true come

true please

come true come

true come true

I'm tryna find a way to guide my life I need a little help to get this right Baby can you open my open my eyes?

Baby won't you open my open my eyes?

"I'm tryna find a way to guide my life I'm tryna find a way to guide my life

I need a little help to get this right Baby can you open my open my eyes?

Baby won't you open my open my eyes?

I'm tryna find a way to guide my life I need a little help to get this right

Baby can you open my open my eyes?

Baby won't you open my open my eyes? - 3
