## Musiq Soulchild & Musiq

First things, first girl recognize  
Who is with you now  
Second thing, can't blame me for  
How you were treated before I cameSee I'm not Steven, Anthony Even, Leroy or Ivan  
Damn girl, I've been right there for you  
Since day one, so where is all this coming from?See now, I'm not to blame for the pain  
That was caused by previous cats, yeah  
Who had your heart before me, girl noI'm not to blame for the pain  
That was caused by previous cats  
You gotta see me for meNow what is with all the questioning about  
Where I've been and why must you roll your eyes  
When I say she's just a friend, I knew beforeNot like I call you Sabrina, Pam or Tanisha  
Andrea either, girl, we go deeper than any other  
I had before, so tell me why you ignoreSee now, I'm not to blame for the pain  
That was caused by previous cats  
Who had your heart before me, babyI'm not to blame for the pain  
That was caused by previous cats  
You gotta see me for meNow I don't know what those young boys did  
To make you insecure  
But I think you need to let it go  
Let it goDon't let your past get all in the way  
'Cause what is here today may not be guaranteed tomorrow  
I'm not out of mind, just speaking my mind when I say  
That I put in too much time for another's brother's crimesGirl, I'm not to blame for the pain  
That was caused by previous cats, yeah  
Who had your heart before me, girl noI'm not to blame for the pain  
That was caused by previous cats  
[Incomprehensible]I'm not to blame for the pain  
That was caused by previous cats  
PreviousI'm not to blame for the pain  
That was caused by previous cats  
You gotta see me for me
