Life is a Highway

Home Free

Life's like a road that you travel on
When there's one day next day gone
Sometimes you bend and Sometimesyou stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where Blues won't haunt you anymore
Where the brave are free and lovers soar
Come ride with me to the distance shore
We won't hesitate
To break down the garden gate
There's not much time left today
Life is highway
I wanna ride it all night long
If you're going my way I wanna drive it
all night long
There was a distance between you & I
A misunderstanding once
But now we look it in the eye
Life is highway
I wanna ride it all night long
Oh I want to ride it
If you're going my way I wanna drive it
all night long
Life is highway
I wanna ride it all night long
If you're going my way I wanna drive it
all night long
