Women I've Never Had

Hank Williams, Jr.

I like to play my music and have good times
I love to hear an old train rolling down the line
I am in to happy and I don't like sad
I like to have women I've never hadI'll take a little smoke and a lot of wine
I get high and call old friends of mine
I like the sweet young things with 'ol Jim Beam
And I like to have women I've never hadI like to ride my horses and shoot my guns
And you know a cowboy's work is just never done
I am in to basics and I don't like fads
And I like to have women I've never hadHey, I don't mean to ever do anybody no wrong
I was just born the son of a singer's song
I do things that make some people mad
And I like to have women I've never had
