

# It's Impossible

## Val Doonican

(Sidney Wayne , Amando Manzanero)

It's impossible ... Ask the sun to leave the sky

It's just impossible

It's impossible ... Ask a baby not to cry

It's just impossible

Could I hold you closer to me , and not feel you going through me ?

Split the second that I never think of you ... It's just impossible

Can the ocean keep from rushing to the shore ? It's just impossible

if I had you , could I ever ask for more ? It's just impossible

And tomorrow , If you ask me for the world , somehow I'd get it

I would sell my very soul , and not regret it

For to live without your love would be impossible

And tomorrow , If you ask me for the world , somehow I'd get it

I would sell my very soul , and not regret it

For to live without your love would be impossible

Impossible
