

Listen to the Hammer Ring

[Jeffrey Benward](#)

LISTEN TO THE HAMMER

Listen to the hammer, as it rings on Calvary.
The nails that held him captive, liberated me. You may think I'm callous when you see the joy in me, but every
blow was planned by God and taken willingly.

(chorus)

Listen to the hammer ring and rejoice?
Listen to the hammer ring and thank Jesus!
Listen to the hammer ring, for He's taken everything that was against us,
and nailed it to His cross.

Oh, the precious hands of Jesus, that healed the sick, the lame. . His touch was oh, so tender, now those hands
are maimed.

And those feet that traveled over rough and dusty roads, now are bloodied by the nails that my Jesus chose.

(chorus)
