# A Place Nearby

## Lene Marlin

I entered the room, sat by your bed
All through the night I watched your daily fight
I hardly knew the pain was almost more than I could bear
And still I hear your last words to me
Heaven is a place nearby
So I won't be so far away
And if you try and look for me
Maybe you'll find me someday
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side
You just faded away
You spread your wings, you had flown
Away to something unknown
Wish I could bring you back
You're always on my mind
About to tear myself apart
You have your special place in my heart, always
Heaven is a place nearby

So I won't be so far away
And if you try and look for me
Maybe you'll find me someday
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side
And even when I go to sleep
I still can hear your voice
And those words
I never will forget
Heaven is a place nearby
So I won't be so far away
And if you try and look for me
Maybe you'll find me someday
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry

I'll always be by your side
