

Draped in Black

Divine Empire

Cast to this hell--grime fate to be--tear down your world--blood flow will cease--drawn to this plague--cannot
beSaved--darkness rise--paralyzed--spread disease--impurities--cold but not dead--nerve death Will grow--light
of day gone--yourSoul die slow--root out he past--no god to grasp--lost untold dreams--not to be seen--parasite
controls your mind--altered stateIs what you find--quickly destroying your kind--cast to this hell--grime fate to
be--tear down your world--all life willCease--darkness rise--paralyzed--spread disease--impurities.
