

# Hide

## Red

Waste away, I'm crawling blind  
Hollowed by what I left inside  
For you, just you, I'm caught in place  
But I ignore what I can't erase I will run and hide till memories fade away  
And I will leave behind a love so strong Close my eyes these voices say  
Haunting me, I can't escape  
For you, just you, time will always wait  
While I throw away what I can't replace I will run and hide till memories fade away  
And I will leave behind a love so strong  
And I will leave behind a love so strong I will run and hide, and I will leave behind I will run and hide till  
memories fade away  
And I will leave behind a love so strong
