Ode To You

Dawn Richard

[VERSE 1]I done made mistakes
Made some wrong turns
Had some fuckups
Too many ? far as I?m concerned
Maybe I've held on
When I should?ve let go
But when it comes to you
You help me get through
With you I never lose
[CHORUS]I owe it all to you
I owe it all to you
You
I owe it all?
I owe it all to you
It?s time for you
You
It?s time for you
[VERSE 2]Babe I hope you feel the same
?Cause I?m giving all of me, yeah
I'd take all I have
And bet it all on you baby, yeah
You?re the only constant truth
In a world full of lies

I wished for you baby
Oh I wish for you baby
Cause when I was knocked down
Oh you picked me up
Oh ain?t nobody like you
That?s why I fucks with you baby
[CHORUS]I owe it all to you
I owe it all to you
You
I owe it all?
I owe it all to you
It?s time for you
You
It?s time for you
If you feel me, put your hands in the air

And say aha oh yeah
[CHORUS]I owe it all to you
I owe it all to you
You
I owe it all?
I owe it all to you
It?s time for you
You
It?s time for you
