Parallel Line

Keith Urban

You said "I love you" to me
I don't know what that means
So froze my feet
People use it too carelessly
And I couldn't believe
That you would dive in so deep
And you said perfectly
Everything I've been feeling about you
It's time to break the chains that held me back from you
So come on
Take a little bit of my
Heart tonight
No, I literally really don't mind
Just please don't misplace it
Take a little bit of my
Heart tonight
No, baby be mine now
Baby, be mine now
Maybe it's time we put our hearts in a parallel lineI was never the type
To put it all on the line
But I've been changing my mind since you opened my eyes
It was the way that the light picked you out of that night
Then you were right by my side
Put a soul in my body
And now it's time to close the space between the two of us
So come on
Take a little bit of my
Heart tonight
No, I literally really don't mind
Just please don't misplace it
Take a little bit of my
Heart tonight
No, baby be mine now
Baby, be mine now
Maybe it's time we put our hearts in a parallel lineOh baby it's time
Oh it's timeTake a little bit of my
Heart tonight
No, I literally really don't mind
Just please don't misplace it

Take a little bit of my
Heart tonight
No, baby be mine now
Baby, be mine now
Take a little bit of my
Heart tonight
No, I literally really don't mind
Just please don't misplace it
Take a little bit of my
Heart tonight
No, baby be mine now
Baby, be mine now
Maybe it's time we put our hearts in a parallel line
Put our hearts in a parallel line
Put our hearts in a parallel line
