

Sympathy

Marillion

Now when you climb into your bed tonight
And when you lock and bolt the door
Just think of those out in the cold and dark
'Cause there's not enough love to go 'round
No, there's not enough love to go 'round And sympathy is what we need, my friends
And sympathy is what we need
And sympathy is what we need, my friends
'Cause there's not enough love to go 'round
No, there's not enough love to go 'round Now half the world hates the other half
And half the world has all the food
And half the world lies down and quietly starves
'Cause there's not enough love to go 'round
No, there's not enough love to go 'round
No, there's not enough love to go 'round And sympathy is what we need, my friends
And sympathy is what we need
And sympathy is what we need, my friends
'Cause there's not enough love to go 'round
No, there's not enough love
No, there's not enough love to go 'round
