Time's Running Out

Cirrus

Church
Get ready
From Slave ship
Its morning time
The Championship
Its morning time
From the outhouse
To the State house
To the court house
To the Whitehouse
Its morning time

It's dark
Hold on to your faith
Lazarus got up out the grave
It's dark
Hold on to your faith
If I perish
Let me perish
I fear no evil!ï»¿

It's dark
Hold on to your faith
Lazarus gotï»¿ up out the grave
From slave ship
The Championship
From the outhouse
To the State house
To the courthouse
To the Whitehouse
It's morning time
Ya thou I walk
Through the Valley
And Shadow of death
Everyday of my life
I fear no evil!
