

The Chant

Jan Johansson Trio

One Hymn Is Above All
Natures Bitter Song
Eternally Sunk Into The Deepness Of His Heart
Already Came The Time
For The Farewell Trail Of The Renegade
In The Indefinite World
But His Cheerful Heart Has One Sorrow To Bare
At The End The Death
Will Gather All Things In Blessed Is A Lot In Life
When Gladness Is In Taking His Cheerful Heart
Has One Sorrow To Bare
At The End Of Time
One Sorrow To Share
