

# All for You

## Blues Traveler

Finally I figured out  
But it took a long, long time  
But now there's a turn about  
Maybe 'cause I'm trying There's been times, I'm so confused  
All my roads, they lead to you  
I just can't turn and walk away It's hard to say what it is I see in you  
Wonder if I'll always be with you  
But words can't say and I can't do  
Enough to prove, it's all for you I thought I'd seen it all  
'Cause it's been a long, long time  
But then we'll trip and fall  
Wondering if I'm blind Rain comes pouring down  
Falling from blue skies  
Words without a sound  
Coming from your eyes Finally I figured out  
But it took a long, long time  
But now there's a turn about  
Maybe 'cause I'm trying It's hard to say what it is I see in you  
Wonder if I'll always be with you  
But words can't say and I can't do  
Enough to prove, it's all for you I thought I'd seen it all  
'Cause it's been a long, long time  
But then we'll trip and fall  
Wondering if I'm blind I thought I'd seen it all  
'Cause it's been a long, long time  
But then we'll trip and fall  
Wondering if I'm blind It's hard to say  
It's hard to say  
It's all for you
