

# Raggamuffin (Bodyspasm remix)

## Selah Sue

Yea, lost in the world  
Like Siddhartha while I author these quotes  
Cutting hoes like a varsity coach  
Caught fire, no larceny  
Please you gotta pardon these boasts  
A lot of niggas pray to God that he choke  
Never see the album drop  
Fall off and be broke  
Reminiscing on the hard times  
So often he'd hope  
To slip his foot in the door  
Promise when I made it  
I'd write my hooks for the poor  
But now I'm hella faded  
And got my foot to the floor  
While I'm pushing this Porsche  
Seem to be more concerned with how I look in the Source  
Staring in the mirror just to see a look of remorse  
Take a look at my chain  
Look at what I became, mayne You never had it easy, I know  
But I still remember you  
And what we used to say so  
I say, this my song for you my friend  
You can only see that I  
Can hardly let things go, no, oh, yea  
So listen to the sound of my voice  
You better send him all my love  
He's given me no choice, no, no, no  
Listen to the sound of the boys, huh!  
A raggamuffin is a freedom fighter  
He's handling a choice  
And I know that if The raggamuffin is one of the friend  
What you see is what you really get in the end  
But what you're ever gonna, gonna do, I don't know  
And the raggamuffin shall not fall down  
Because he has the wisdom not to fool around  
But why did you have to leave the good sense on the ground, yes You never had it easy, I know  
But I still remember you  
And what we used to have so

I say, this my song for you my friend  
You can only see that I  
Will never forget ye-yes soThe raggamuffin is one of the friend  
What you see is what you really get in the end  
But what you're ever gonna, gonna do, I don't know  
And the raggamuffin shall not fall down  
Because he has the wisdom not to fool around  
But why did you have to leave the good sense on the ground, yesYea, that old me that you knew well is still in  
me  
Somewhere, deep down there  
Hiding in the corner is a nigga who cared  
Believed he could change the world and he dared  
Now he sits alone  
Used to write poems but that's gone  
It's been so long cause he's scared  
The world ain't fair and I'm fully aware  
When the revolution comes will I stare  
Or will I rideThe raggamuffin is one of the friend  
What you see is what you really get in the end  
But what you're ever gonna, gonna do, I don't know  
And the raggamuffin shall not fall down  
Because he has the wisdom not to fool around  
But why did you have to leave the good sense on the ground, yes
