

Safe (in The Heat Of The Moment)

Duran Duran

People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe, I know you've been around
 Unmake your bed
Don't think about what lies ahead
 Don't you wanna be misled
 Don't you wanna be misled
 Fame, seems a far off day
When enough was never enough
 Vain, how I played my hand
One more reckless man in the rough
Strange, how we explain the story
 That we've lived through
 Change, my karma train
The person I can be for you is
 Safe
(Safe in the heat of the moment)
A stillness that comes to me
 When I'm close to you
 Safe
(Safe at the speed of atonement)
A feeling that runs so deep
 That it scares me too
 Dazed by my own escape
From the single state I was used to
 Face my catch twenty two
Can I stay this way if I choose to?
 Wrong, to be so contained
Now I can't explain what is happening
 Strong, is the human chain
As it pulls me through, what I bring to you is
 Safe
(Safe in the heat of the moment)
A stillness that comes to me
 When I'm close to you
 Safe
(Safe at the speed of atonement)
A feeling that runs so deep

That it scares me too
Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you
Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too
Fame, seems a far off day
When enough was never enough
Vain, how I played my hand
One more reckless man in the rough
Hook a finger, wink an eye
Caresses running up your thigh
Scratch my surface, dig in deep
There's always secrets left to keep
Safe not sound, who made these rules
Crowd control for enlightened fools
So come on boy, let's change the pace
Come feel the chill of my embrace
People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe, I know you've been around
Unmake your bed
Don't think about what lies ahead
Don't you wanna be misled
Don't you wanna be misled
Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you
Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too
Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you
Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too
