## **Round Round**

## **Sugababes**

Round round baby round round

Spend the night on me

I dont need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goRound baby round round

Spinning out on me

I dont need no man

Got my kicks for freeWhen you stare at my face

You're messing with my brain

If you try to convince me

Then you better think againIf you move to the music

The music's got to give

If it's too complicated

That's the way I wanna liveIf you hate me I will show you

How to break me into something new

If you want me run away now

If you stop me then I'll hit the ground

Round we go, here we goRound round baby round round

Spend the night on me

I dont need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goExplanations no you don't need one

Having a good time getting down to fun

And it's your time just tonight he'll be mine

Then he's gone yeahPeople movin', bodies groovin'

Never ending players are changing

Don't you worry 'bout a thing

All you need is a fierce stingAll my girls are here with me

Whiling out they've got their needs

Do you feel me? Do you feel me?

Do you feel me? Do you feel me?Round round baby round round

Spend the night on

I don't need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goRound baby round round

Spend the night on me

I don't need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goDoes it hurt when you see how I've done

Without you thought that I couldn't belong

Never thought that you could be so cruel

All you need is some friends won't be by yourself

Let's go round and round and round and round Round round baby round round

Spend the night on

I don't need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goRound baby round round

Spend the night on me

I don't need no man

Got my kicks for freeI will ride still fired

On the beat down low

I don't need nobody

But my honeys when I goRound baby when I go

When I go, when I go, when I go

Round baby when I go

When I go, when I go, when I go
