

Fuck You Too

Nobodys

I'm not quasimodo or the elephant man, but you treat me like i am.

I'm not a lepar.

I don't have a disease, but you won't speak to me. Who the fuck do you think you are treating me like that.
You must think she's God's gift to man, and i'm not good enough for you. Fuck you too. You're no goddess, no
fucking way.

You couldn't be Miss U.S.A.

You ignored me, you blew me off.

You didn't even give me a chance. Who the fuck do you think you are treating me like that.
You must think she's God's gift to man, and i'm not good enough for you. Fuck you too. (11x)
