

# Class Holes

## Iron Reagan

Everyone's lazy that makes way less than you  
Abuse the wealth they work to produce  
Indignant warfareSome families fight to feed three out of five  
No equal pay with prices on the rise  
Can they survive?Please take a second before you wine and dine to watch the lower class die  
Impoverished families all hopes on the decline watch them dieWith empty pockets the workforce marches on  
Into the depths of class holes and beyond  
Indignant warfare  
We will survive!  
Please take a second before you wine and dine to watch the lower class die  
Impoverished families all hopes on the decline watch them die
