

# Laughed Until We Cried

[Jason Aldean](#)

Goin' through my closet the other day  
I found an old yearbook, flipped right to the page of that senior trip  
Down there on that Panama strip  
We all started yelling when we smelled the beach  
Just couldn't wait to try our fake ID's  
We only had a few days  
And a whole lot of memories to make Oh man, we were livin'  
Didn't waste one minute  
We talked, and drank, and danced, and said goodbye  
We laughed until we cried This past year my family  
Was sittin' cross-legged 'round the Christmas tree listenin' to granddad  
We all knew it'd probably be his last  
He was crackin' jokes, and we were takin' turns  
Tellin' stories 'bout fishin' or lessons learned  
Out on the porch with him  
We all felt like kids again Oh man, we were livin'  
Sittin' there reminiscin'  
We sang, and talked, and traveled back in time  
We laughed until we cried It's like the best days under the sun  
Every emotion rolled into one  
A little of this, a little of that  
Kinda happy, kinda sad Just the other night the baby was cryin'  
So I got out of bed and rocked her awhile, and I held her tight  
And I told her it would be all right  
And my mind went back to a few years ago  
When we tried so long, we almost gave up hope  
And I remember you comin' in and tellin' me the news Oh man, we were livin'  
Goin' crazy in the kitchen  
We danced, and screamed, and held each other tight  
We laughed until we cried
