

# Party Sleep Repeat (P.S.R.)

Eleni Foureira

Paris,  
Paris, ha  
Paris,

We keep on going like they like the arrest,  
We cup so moral do it over again,  
We keep on moving to the beat.

Party sleep repeat,  
Party sleep repeat.

Paris,  
Paris,  
Brazil,  
Paris,  
Brazil,  
Hollywood, up in the hills.

We go Paris,  
Brazil,  
Hollywood, up in the hills.

We go Paris,  
Brazil,  
Hollywood, up in the hills.

I see you there, see there,  
In the neon lights,  
I see you stare, see you stare,  
Yeah, I've got what you like,  
I know you want it, know you want it,  
Put your hands on me,  
So we can party sleep repeat, party sleep repeat.

I see you there, see there,  
In the neon lights,  
I see you stare, see you stare,  
Yeah, I've got what you like,  
I know you want it, know you want it,  
Put your hands on me,

So we can party sleep repeat, party sleep repeat.

We keep on going like they like the arrest,  
We cup so moral do it over again,  
We keep on moving to the beat.

Party sleep repeat,  
Party sleep repeat.

Paris,  
Paris,  
Brazil,  
Paris,  
Brazil,  
Hollywood, up in the hills.

We go Paris,  
Brazil,  
Hollywood, up in the hills.

We go Paris,  
Brazil,  
Hollywood, up in the hills.

We keep on going like they like the arrest,  
We cup so moral do it over again,  
We keep on moving to the beat.

Party sleep repeat,  
Party sleep repeat.

We keep on going like they like the arrest,  
We cup so moral do it over again,  
We keep on moving to the beat.

Party sleep repeat,  
Party sleep repeat.
