Hole In My Pocket

Ruthie Foster

I'm living on the outside
And I'm looking in
I'm feeling like a window
Sometimes I break just like a windowLove is jus a liquid
And it's flowing like a river
I've been reaching for this ocean
And I break before I see the wavesSo why don't you
Show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayWhere my head been
Since this needle took a spin
And a stitch out of my thoughts
When I had my life in placeI'm living on the outside
And I'm looking in
I can't get it together
Oh, you gotta show me, you gotta show me
Show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, I got a hole in my pocket
I got a hole in my pocket
I got a hole in my pocket
Where it all slips awayOh, I got a hole in my pocket
I got a hole in my pocket
A hole in my pocket
Where it all slips awayOh Oah, oahThere's less and less inside of me
Oh, a little bit less
And a little bit less each day
Oh, wrap me up
And hide me
Oh, you know there's gotta be something left
Something I can saveOh, show me ways to save my soul

Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, show me ways to save my soul
Show me ways to save my soul
I got a hole in my pocket
Where it all slips awayOh, I got a hole in my pocket
I got a hole in my pocket
I got a got hole in my pocket
Where it all slips awayOh, I got a hole in my pocket
I got a hole in my pocket
I got a hole in my pocket
Where it all slips awayI got a hole in my pocket
Where it all slips away
I got a hole in my pocket
Where it all slips away
