

Welcome to the Universe

Thirty Seconds to Mars

And so the time has come, it's here
The silence ends, the change is near
You wait in the balance libertine
Come into the Pantheon Welcome to the universe
Welcome to the universe If there's a past into the clear
We better take the pace
Erase this face
In constant search for everything You wait in the pallid slivered sky
Come into the pantheon Welcome to the universe
Welcome to the universe
Welcome to the universe
Welcome to the universe A new day has begun
