Gold (feat. Bright Sparks)

Sebastien

Gold by Sebastien (feat. Bright Sparks) Lyrics

Where did it go wrong?
Hey I thought we had it all baby
I canâ€™t work out what you want
You say that maybe weâ€™re fading

I donâ€™t wanna hear truth
Donâ€™t see no war with you
I donâ€™t wanna hear the truth, no
Take me back to where we were
To a place that doesnâ€™t hurt
Take me back to where we were

â€˜Cuz I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold
No I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold
Gold
Yeah
My love
My love
My love

Thereâ€™s no need to lay blame
You said weâ€™d work it out slowly
Well I tried but things change
See I heard you got a new trophy

I donâ€™t wanna hear truth
Donâ€™t see no war with you
I donâ€™t wanna hear the truth, no
Take me back to where we were
To a place that doesnâ€™t hurt
Take me back to where we were, were

â€˜Cuz I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold
No I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold

Gold
Yeah
My love
My love
My love
â€˜Cuz I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold
No I canâ€™t let you go
â€˜Cuz you said we were gold, gold, gold
Gold
