

# I'm Sorry for You My Friend

[Hank Williams](#)

You've known so long that you were wrong but still you had your way  
You told her lies and alibis and hurt her more each day  
But now your conscience bothers you, you've reached your journey's end  
You're asking me for sympathy, I'm sorry for you my friend  
You laughed inside each time she cried, you tried  
to make her blue  
She tagged along through right and wrong because she worshiped you  
You know that you're the one to blame, there's no use to pretend  
Today's the day you start to pay, I'm sorry for you my friend  
Today as she walked arm in arm, at someone else's  
side  
It made you stop and realize, that time has turned the tide  
You should have known you'd be alone, 'cause cheaters never win  
You tried and lost, now pay the cost, I'm sorry for you my friend
